JMD SERVICES

PRESSURE WASHING & SEALING

About

JMD Pressure Washing & Sealing provides comprehensive mobile pressure washing services in the Durham, Toronto and York Regions. JMD specializes in cleaning and treating discolored pool decks and patios, but can also wash away oil spills in driveways and parking areas and attack mildew, mould, grease and rust stains to bring customer pools, decks, fencing and driveways back to life! JMD also offers window, siding and eaves cleaning. All cleaning solutions are tailored to customer needs by JMD's knowledgeable and experienced staff.

Challenge

JMD Pressure Washing & Sealing is in need of a new and updated website to help promote their online sales and lead generation.

Solution

Metroland Digital designed a new search engine friendly website with five pages of fully written content to help promote JMD's services. Metroland Digital also built a mobile version of the website to help facilitate sales through various types of search. In addition to this, Metroland Digital also:

- Registered Domain name on behalf of JMD Pressure Washing and Sealing
- Host JMD Services site

Result

The JMD Pressure Washing & Sealing owners were extremely happy with their newly designed website and content. They were also delighted to have Metroland Digital host their site at no extra cost. The new website has already generated some leads and revenue.
